

SUMMER STAFF INTRODUCTIONS COLUMBIAN TEAM:

Janessa: Hi! I'm Janessa! I have a 6 year old son. I've been working with kids for 11 years! My goal this summer is to keep your kiddo safe, make sure they have fun and encourage them to try something new!

Lauren W: Hello! My name is Miss Lauren and I am excited for a summer of fun with the kiddos in the Colorado sunshine. I grew up in Boulder and had a great time at summer camp when I was young- going on hikes, making new friends, and attending sporting events were some of my favorite activities. When I am not working with Kids SmART I am a full-time friend, and part-time coach. I enjoy working with other people and learning about life in fun and unique ways. One of my favorite parts about working with children is the variety and change they can bring to each day.

Estela MD: Bonjour! My name is Estela and I'm from Denver, CO. I speak English, French, Spanish and German. I enjoy playing tennis, travelling, and baking. My favorite things to bake right now are quiches and croque-en-bouche. This summer at Kids SmART, I want to work with our team to create a place where kids can express themselves, get creative, and make friends to last a lifetime.

Bethany A: Hi! My name is Bethany and I am so excited to be working with the summer camp this year! I moved to Denver about a year ago and you can usually find me at the park with my dog, out on a hike or having a movie marathon. I am new to the Kids SmART team so I look forward to getting to know everyone. Summer camps are all about finding your interests and building new skills and I can't wait to learn and grow with the kids this year!"
