July 8, 2020

To the Communities and Families of Kids SmART:

As most of you may have already heard, both Jefferson and Denver Public Schools have announced that they plan to resume 100% in person learning this fall- hooray! As a result, Kids SmART Before/After school programs also plan to resume on-site care when school resumes. We will be working closely with each individual school to ensure our ability to offer proper space and safety guidelines that align with the current recommendations outlined by the State and County Health departments. This will surely be an ever-evolving process, but we are thrilled at the prospect of seeing all the kiddos again!

As it stands, our programs in the DPS schools will resume August 17 and the Jeffco School programs will resume August 24. Our updated fee/schedule informational flyers and tuition calendars for each program will be posted online by July 31 and virtual registration will open Monday, August 3, 2020. Please keep in mind that this is an ever-changing situation and although we could not be more excited to open our programs again, this will be contingent on each school, District and County that we operate in. If any of the school sites deem a necessary closure or minimization of programming, we may be forced to change our program options. Our current closure policy follows District policy that outlines if a school is forced to close due to emergency, Kids SmART must also close. All parties involved understand the extreme need for our programming and we have received multiple communications from the District’s, Counties, and State assuring us they will do anything and everything they can to help us maintain our ability to remain open indefinitely. This includes programming for non-school and full days. Please do your best to stay informed of your child’s school plan and policy. Kids SmART will notify parents if there are any programming differences between the school plan and Kids SmART programming.

Thank you for your continued patience, understanding, and support of Kids SmART programs and team members throughout all of this. I speak for my entire team when I say how grateful we are for each and every one of you, and we cannot wait to make positive memories with your children!!

With much regard,

Corrine A Holck
President, Kids SmART, Inc.
